

Dear PEP Member,

We continue to experience great success with our new testimonial style PEP ads that carry the theme '[Our Gulf Coast Environment Matters to Us.](#)' In fact, since the ads began running, the testimonial page of the PEP website has been the second most visited page – second only to the Reverse Trade Show event page.

With this series of ads, we intend to reinforce our mission and goals, showcase member companies and encourage prospective members to join PEP. Take a look at the current ad (below), and [please let me know if you are interested in participating in future ads.](#) We would love to highlight you and your company.

Also, please note – next week you will be receiving a simple electronic survey from PEP. Please take the time to complete the survey. It will help us tremendously as we plan for 2017.

Best Regards,  
Jennifer Denson

### Annual PEP Mayor's Lunch

Did you miss the PEP lunch with Mayor Sandy Stimpson? Check out the video below to learn more about the great things happening in our city. Thank you to [Jedson Engineering](#) for sponsoring this event.

### PEP Reverse Trade Show & Drone Seminar

#### [PEP 16th Annual Industrial Reverse Trade Show](#) [Sponsored by Hargrove Engineers + Constructors](#)

Thursday, October 20, 2016

Get face-to-face with decision-makers and buyers from more than 45 major manufacturers, shipbuilders, health, construction and engineering businesses and government agencies. No other event puts you in front of this many of your industrial targets at one time. [Purchase tickets today.](#)

**NEW THIS YEAR:** PEP is introducing a [drone seminar](#) as part of the 16th annual Industrial Reverse Trade Show, entitled "[Unmanned Aerial Vehicles/Systems: Innovation, Security, and Compliance.](#)" The seminar will be held from 9 to 11:30 a.m., October 20 at Fort Whiting Auditorium before the Reverse Trade Show kicks off at 1 p.m. and will include two panels, the first: "Industrial Applications and Innovative Use" and the second: "Drone Risks Assessment: Secure Your Site, Employees, and Digital Assets." The speakers are from a variety of industries and companies, including Southern Company Services System Air, Drone Worx, the Marshall Space Flight Center, the FBI, and Hand Arendall LLC. [View the full seminar agenda here.](#) The seminar is free and open to the public, so seating will be limited. [Please contact PEP to reserve your spot.](#)

### Water Quality

Learn more about what PEP Member companies are doing to improve water quality in Mobile and Baldwin Counties with our new [Water Quality](#) page of the PEP website.
