## #Trash Blows! #Stow it!

Don't let trash hit the ground when you hit the road. Secure your truck bed trash with #Stow It bags from [Create a Clean Water Future](#). Your business can get involved with spreading this message. See a partnership in action below!

The Town of Dauphin Island and [Mobile Bay National Estuary Program](#) (MBNEP) partnered recently to raise awareness about litter blowing from truck beds and boats during this year's Alabama Deep Sea Fishing Rodeo. MBNEP wants to remind anglers that TRASH BLOWS! As part of the CREATE A CLEAN WATER FUTURE Campaign (CCWF), the Trash Blows message was spread throughout the Island during Rodeo weekend.
