SCIENCE & TECHNOLOGY SCHOLARSHIP | PEP AWARDS NOMINATIONS | UPCOMING EVENTS

Dear PEP Member,

At our January Membership Breakfast, Bill Sisson communicated the optimism shared by the business community about the economic climate in 2019. Another good year will keep everyone busy.

PEP is busy planning for our Spring events and meetings, in particular, our [Annual Meeting and Awards](#) program on April 4. Don't forget, the [PEP Member Environmental Awards nominations](#) are open until February 21st – so be sure to nominate your company's best practices and innovative projects before then!

Also, save the date for the [19th Annual Golf Tournament](#), May 3rd at Magnolia Grove: best golf tournament in town! Registration and Sponsorships are now open. [Check out the details here](#).

**Special Announcement!** I am so excited to unveil the [PEP Science and Technology Scholarship Fund](#) at the Community Foundation of South Alabama. The scholarship fund is exclusively for our members and their dependents. Because of the generous support of our members, we have been able to establish this Scholarship Fund and plan to provide **three \$1000 scholarships** to students studying college and graduate level studies in the *engineering and environmental science fields* each year. Read the article below for more details including eligibility and deadlines and the purpose of the scholarship fund. [PLEASE help us spread the word by including the information in your company newsletters and emails](#). The scholarship application deadline is March 21st.

Best Regards,  
Jennifer Denson  
Executive Director

The PEP Science and Technology Scholarship

[\\$1,000 Scholarships to 3 Students](#)

The members of the PEP Board of Directors are excited to announce the Partners for Environmental Progress [Scholarship Fund](#) for employees of PEP member companies and their dependents at the Community Foundation of South Alabama.

Each year, PEP will award up to three \$1000 individual scholarships to students who meet the [Scholarship Criteria](#) and are enrolled in a two or four year college or university pursuing a degree or advanced degree in fields related to engineering and environmental science.

*PEP believes that successful business and community quality of life are dependent on innovation and an understanding and respect for our coastal environments and natural resources. To that end, PEP seeks to invest in and support educational opportunities in the engineering and environmental sciences to expose students to critical issues involving the Gulf Coast, encourage innovation in the work place, and promote further improvements of best practices that have a positive impact on our environment and resources.*

Deadline for application is March 21, 2019

[Nominate and Sponsor 2019 PEP Awards!](#)

Since 2005, the PEP Board of Directors has presented the PEP Environmental Stewardship Awards to recognize PEP

members whose work has made a significant and positive contribution to the Gulf Coast region in three crucial areas: economic growth, environmental health and social responsibility. *Nominate a member company - or your own company - no business or project is too small.*

The awards will be presented at PEP's Annual Membership Meeting on April 4, 2019.

**Nomination Deadline:**  
Thursday, February 21, 2019 at 5:00pm
