

# HAND SANITIZER

## Alcohol Antiseptic, Topical, Non-sterile Solution Liquid (non-gel) Sanitizer

Product Name	Container Size	Containers per Case	Price per Case
Topical Solution Hand Sanitizer Non-Sterile Solution	Pint (16 oz)	24	\$150 plus shipping
Topical Solution Hand Sanitizer Non-Sterile Solution	Quart (32 oz)	12	\$104 plus shipping
Topical Solution Hand Sanitizer Non-Sterile Solution	1 Gallon	4	\$70 plus shipping

Our hand sanitizer comes in two government approved formulas—80% Ethyl Alcohol Antiseptic and 75% Isopropyl Alcohol Antiseptic. Both sanitizers work equally the same. We will not differentiate between the two products to process orders since the products are equivalent in functionality and performance.
