Rental Services Solutions

LET'S GO BEYOND™

Trane Rental Services Can Help with Your COVID-19 Response Rental Services Solutions for Temporary Environments

Trane Rental Services

Trane is committed to supporting customers during this unprecedented time, helping to provide solutions that meet building, facility and business needs amid difficult and changing circumstances.

The best way for customers to stay in contact with Trane is through your local account manager, who can discuss your specific situation and needs. Below are some of the solutions we can provide.

Solutions for Temporary Environments

Trane Rental Services can support your immediate needs of setting up temporary climate controlled spaces, as well as developing a contingency

temporary climate controlled spaces, as well as developing a contingency plan to battle future pandemics.

- **Power Needs:** From generation to distribution, Trane brings power to your lighting, medical equipment, and Trane's HVAC equipment.
- **Temperature Control:** Whether heating or cooling is needed, Trane has the equipment to make sure patients and caregivers are comfortable.
- **Air Quality:** Trane's specialists will work with you to understand air filtering needs and develop the right solution for your situation to help improve the air.

Comprehensive Equipment Fleet

Trane Rental Services has a comprehensive array of power and HVAC equipment to support your temporary environment needs - a total of more than 20 megawatts of power and over 80,000 tons of cooling.

- Chillers, Air- and Water-Cooled
- Air Conditioning Units with Electric Heat
- Cooling Towers
- Air Handlers
- Diesel Generators
- Power Distribution
- Portable Cooling Units

Contact your account manager or call us at 1-800-755-5115, 24 hours a day, 7 days a week.
