JULY 2020 ISSUE | PEP MEMBER NEWS

Dear PEP Members:

After thoughtful consideration of many factors, the most important of which is that we do not want to create a situation that may inadvertently harm our member companies and their employees, the PEP Board of Directors has decided that PEP will not host large in-person meetings in July or August.

- We will host a [Virtual Membership Breakfast, featuring the Land Division of ADEM and sponsored by McFadden Engineering on July 16th at 7am](#). Please see virtual breakfast details below.
- We will host our second [Virtual Lunch and Learn sponsored by Star Services on August 11th](#). Again, please see event details below.
- The Annual Meeting at GulfQuest, scheduled for August 20th will be cancelled with a goal of restructuring a future event. It is almost impossible to plan for a large event like our traditional annual meeting during these uncertain times.
- The RTS committee will continue to think creatively and safely how to host the Reverse Trade Show as planned for October 15th.
- Our outdoor events will continue as planned: Golf Tournament (October 1) and Continental Pheasant Shoot (November 12).

We are disappointed that we cannot bring our members together in person, but for now, I hope that you find the plans above will provide you with the information and connections you rely on from PEP.

Thank you for your support!

Jennifer Denson
Executive Director

PEP EVENTS

PEP NEWS

NEW BOARD OF DIRECTORS PAGE

As we mentioned last month, we had Board of Directors updates to share, including the appointment of Spencer Wiggins (Hancock Whitney Bank) as PEP Board President. In order to showcase these changes and highlight all Board of Director members, we have a new board page on the PEP website. Please visit this page to learn more about the PEP Board of Directors [via this link](#).
