

AUGUST 2020 ISSUE | PEP MEMBER NEWS

Dear PEP Members:

Thank you for making our first VIRTUAL Membership Breakfast a success. Attendance was great, and we appreciate your participation. Stay tuned for details regarding our next Membership Breakfast, set for September 17, and be sure to check out details for our [Virtual August Lunch and Learn \(below\)](#). Please also note continued updates regarding upcoming PEP events:

- The Annual Meeting at GulfQuest, scheduled for August 20th will be cancelled with a goal of restructuring a future event. It is almost impossible to plan for a large event like our traditional annual meeting during these uncertain times.
- The RTS committee is thinking up new ways to continue the business value of the Reverse Trade Show in a different format. Details coming soon!
- Beginning this week, we will re-open registration for our Golf Tournament (October 1) and Continental Pheasant Shoot (November 12).

Please share with your employees the details of the U.S. Census and public webinar on the Mobile Airport Authority's Master Plan - details on both can be found below.

As always, thank you for your support!
