What is the Team Rescue Package?

Give your team a competitive edge! The *Team Rescue Package* is designed to save your score or simply enhance your game.

The PEP tournament draws players with great handicaps and those that play maybe once a year. We have added these unique opportunities to “level the field” and add a little variety to the game. Please note, the PEP Tournament does not use Mulligans.

String it Out – Each team will receive a 5ft piece of string and a pair of scissors. This string may be used during play to improve a lie, sink a putt or move a putt. Each time the string is brought into play, the length used must be cut off. Only the remaining amount can be used for a future situation in the round. When all the string is gone, it's gone! Use of the string is an **EXTENSION** of the previous shot and does not count to your score!

Lob a Grenade – Players may purchase 4 “grenades” that allow them to throw the golf ball, instead of hitting it with a club. The golfer may chose anywhere on the course to “lob a grenade”, which is very handy for deep sand traps or nasty chip shots. 4 grenades per team, one use each. Must note on the scorecard, the holes the grenades are thrown. Use of the grenade is an **EXTENSION** of the previous shot and does not count to your score!

Power Drive – On one identified par 5 hole on each course, players will by-pass the normal tee-off and start at a pre-set place in the fairway approximately 300 yards from the normal white tee location. Your first shot on the hole will be one for the green for the big hitters. Wherever the ball lands you will be laying 1!

Power Drive holes are: Crossings: Hole # 13 and Falls: Hole #18

Pro's Tips

- Don't use the String for a stroke from behind a tree. With Scramble rules you play from the best ball, and you can use a club length to improve your lie.
- Use the Grenades to roll the ball under any of the large oak tree limbs that line the fairways on both the Azalea and Dogwood course or to escape an angled lie on a deep faced bunker.

You may purchase this package in advance or at Registration for \$80. 1 per team.
